

BEST POSTER AWARD

at the

SFB *BEYOND*C WINTER WORKSHOP 2025 ISTA, February 25 2025

is awarded to

Carla Nataly Borja Espinosa

for the poster

**“High-impedance frequency-tunable
superconducting resonator for
hybrid cQED experiments with polar molecules”**

on behalf of the SFB BeyondC Consortium

Philip Walther
(Speaker)

&

Tracy Northup
(Deputy-Speaker)

February 2025

The award is endowed with EUR 300.-

BeyondC: Quantum Information Systems Beyond Classical Capabilities (SFB)
